

# MARY KACH CHAPIN YOUNG ARTIST FUND

Donate to support the young artists of Adventure Theatre MTC in memory of Mary Kach Chapin, dedicated volunteer, fundraiser, and theatre parent!

**ADVENTURE  
THEATRE**  
& ATMTC ACADEMY

**“My mom was a tireless volunteer and supporter of arts education even before my siblings and I fell in love with theatre! She was President of the PTA at every school I attended, volunteered to run extracurricular fine arts classes, ferried us to rehearsals across the DMV, compiled show programs for our summer children’s theatre productions, created costumes for entire ensembles of students with her fellow theatre parents, and never missed a show or concert when we were onstage.**

**Join me in honoring her dedication to her family and to the theatre by donating to ensure all students have access to the high-quality arts education and production opportunities that she made possible for me and my peers.” - Sarah Chapin, Managing Director**

**The Mary Kach Chapin Young Artists Fund covers scholarships for ATMTC Academy classes and assists local schools with the cost of field trips to Adventure Theatre MTC student matinees.**

## **ATMTC ACADEMY SCHOLARSHIPS**

Public elementary schools in Montgomery County do not offer theatre/drama programming. The Adventure Theatre Academy provides structured, inspiring drama programs taught by local teaching professionals. Our classes focus on building skills demonstrated to build self-confidence, communication, and teamwork skills, and improve kids’ standardized test scores and school attendance.

Scholarships for talented students ensure that the benefits of arts education and training are available to all students who wish to deepen their involvement in the arts.

## **TICKET DISCOUNTS**

Every season, Adventure Theatre MTC welcomes thousands of students to our weekday matinees for field trips. For most students, this is their first introduction to theatre. No school pays full price for tickets for field trip tickets, and with support from the Mary Kach Chapin Young Artists Fund, Adventure Theatre MTC can offer more complimentary and discounted tickets to some of our region’s most deserving children to experience the joy and benefits of theatre education.

## **RECOGNITION**

Benefits at the various sponsorship levels include recognition of your sponsorship in playbills and other marketing materials, on our website, and in social media marketing materials, and advertising in our production brochures based on sponsorship level. Recognition as Show Sponsor in marketing, collateral materials, playbill, on the website and in e-mail newsletters.
